NOTE ON FÉDÉRATION NATIONALE «*LIBRE RÉSISTANCE* »

Commemorating the networks of F Section F SOE, known as « *Réseaux Buckmaster* »

Libre Résistance is an association that provides moral and material support to the members of the former Buckmaster networks in France. Its aims are to promulgate the memory and history of the SOE networks to future generations. Membership is open to all those who are interested in the SOE as well as relations and descendants of all those involved in WWII in France.
We have our own internet site (www.libre-resistance.com) and have several events a year:

- 6th may, we hold a ceremony in Valençay at the F Section Memorial, dedicated to the 104 men and women, members of the British Armed Forces, Canadian, American and French who lost their lives whilst working for F Section in occupied France and who were arrested or died in combat.
- Every second year we hold a conference the Ecole Militaire in Paris on a different subject relating to SOE's role in France during the Second World War.
- Each year we hold our AGM, in Paris.

If you are interested in joining, please complete the form below and sent it with the annual subscription.
Please also feel free to approach other people who you think may be interested in joining us.
